## A message from our Chair of Governors:

Dear Parent/carer

The governors of our Kingfisher schools would like to say thank you for all the support you have provided over the last year enabling your children to be confident learners in schools and polite and well behaved individuals. The latter has been remarked upon from many sources whether it is visitors to the school or when the children are out of school.

The progress the children have made in their learning has been evident not only in their academic work but also in wider activities such as sports and performances.

They achieved well in their SATs with each child doing the best that they can and demonstrating their readiness for the next stage of learning in a new year group, key stage or that step into secondary education.

We are proud of our children in the school and we are sure you are too.

We are also proud of the hard work all our staff have carried out over the course of the year and we wish everyone a very welcome break.

Yours sincerely, on behalf of the governors

J'Anne Robertson
