

# Skylarks Class

## My Teachers:

Mrs Carroll is Skylark's class teacher. She loves learning outside, reading stories and acting out adventures!

Here are some of the other adults that help in Skylarks Class:

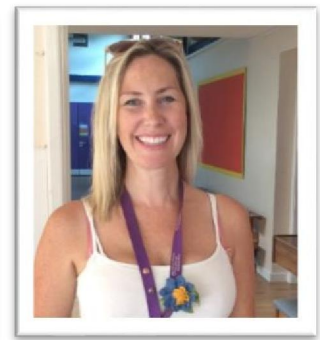

Mrs Wilson

Mrs Brighton

Mrs White

Miss Flack

## My Classroom:

Here is part of Skylarks classroom. We sit on the carpet when we need to listen to the Teacher and sit at the desks to write.

This is where we do discovery and investigation led learning. There are Art, Maths, Writing and Role-Play areas (and much more!).

This is our outdoor classroom. There are so many things you can discover out here! All areas have links to reading, writing and maths.

## Daily routines:

In the morning, you come into the cloakroom to hang up your bags and coats. You put your drink and pack lunch (if you have one) on this dinner trolley.

An adult will check your reading record and help you to change your book.

After you have completed your lunch order for the day, there will be a morning activity for you to complete.

## Our Learning:

Some things we are going to learning about in Skylarks in the Autumn term will be;

A history topic on Remembrance.

Materials in Science as well as a longitudinal study on 'Our Changing World'.

In R.E. our big question is 'Why is light an important symbol'.

In Art we will be learning all about drawing.

In PSHE we will be looking at learning behaviours.

For Languages we will be singing our morning songs in French and Spanish.
